

Micro Audiometrics - Instrument Return Form

Please include this form and return with your Earscan® Audiometer. If you are returning your Earscan for repair, or have any questions, please call us at **(866) 327-7226**. We may be able to solve a problem during a phone call or have your local dealer assist you.

- We service and calibrate instruments in the order they are received.
- We do not provide “loaner” equipment.
- You must return your Earscan and matching headset.
- **Properly package equipment to protect against damage during transit.**
- **Please call before sending older models (Earscan Impedance or DSP Audiometer).**
